2023 Elopement Package

Bouquet & Boutonniere Package

As an enhancement option for your elopement, choose your boutonniere and style of bouquet from several options of flowers from our preferred florist, Blossom with Quik Pik Flower. Choose from 'roundymoundy' bouquets, which are round, perfect and structured, or choose the 'tossed together, garden-like' bouquets to match your style. A consultation with Britt from Blossom with Quik Pik Flower, will help you select your preferred flowers, colours, look and feel.

Photography

As an enhancement to your special day, we offer a photography package, presented by Justine Russo. It includes location planning for photos, developing a photo list, the short travel to Manning Park, an hour of photos to cover your elopement, editing of all your photos and an online viewing gallery to share with family and friends. There are spectacular photo opportunities throughout E.C. Manning Provincial Park and we are happy to direct you to them.

Please Note: All photographers and guests must stay on designated paths within all Park areas - with the exception being the Day Use areas around Lightning Lakes and the main Resort area. This is particularly important at the Alpine Meadows where rare and delicate plants struggle to survive in this harsh and extremely fragile ecosystem. Straying off designated paths destroys these sensitive plants. Please help us protect these Alpine Meadows and the photo opportunities they provide for generations to come.

****As per the BC Parks Act - drones are not permitted anywhere within the park without approval.***

**Thank you for your consideration of Manning Park Resort as the site of your Elopement.
Allow us to help make your special day everything you've imagined, and more!**
